

## The Cowboys Surprise Bride (Mills & Boon Love Inspired Historical) (Cowboys of Eden Valley, Book 1)

A NEW LIFE IN A NEW WORLD  
Traveling to Canada's Northwest Territories is a thrilling opportunity for Linette Edwards and her chance to escape a dreaded marriage in England. She's more than eager to accept Eddie Gardiner's written invitation. How could she know that Eddie thinks he's marrying not Linette, but her friend, Margaret? Eddie planned for a well-bred bride who'd help prove his worth to his father. Instead he's saddled with a ragamuffin stranger and the little boy in her care. He'll shelter them until springtime and no longer. But before the snow clears, his heart is thawing and hoping this makeshift family can find a permanent home together.
