

To Catch a Husband

U.S. Marshal Charity Caldwell has been in love with Adam Logue for what seems like forever, but the fellow marshal sees her as nothing more than a friend. Scarred by the shooting of his first love, Adam doesn't think he's capable of being in a serious relationship ever again. Charity has faith that one day she'll get married and have the children she so desperately wants. The problem is, she doesn't want to spend her life with anyone but Adam. So with the help of his matchmaking family, she launches a plan to help Adam think of her as more than a friend, and even more than a woman. It's her plan to make him see she'll be the perfect wife.
