

## The Sheikhs Proposal (Harlequin Romance)

Marriage by royal command! Sara Kinsale is stunned to be thrown together with a prince of the desert, and even more so to find herself unbelievably attracted to the elusive Sheikh Kahrun bak Samin. Especially as she's indebted to the sheikh and it's only a matter of time before he demands to be repaid! Kahrun soon names his price for marriage! He needs a trophy wife, and Sara is already living under his roof. But will she be the sheikh's bride in name only or will her marriage duties be a little more intimate?
