

Fracture (Cottonwood Falls Book 2)

Homecomings can be wonderful in breaking down old walls. Once the princess of Cottonwood Falls, Vicki Boshay had exchanged her crown and dresses for a badge and a gun as a deputy in her hometown. Disowned by her family for her decisions she has moved on and carries her head high. One foggy night she reunited with a man who lived on the wrong side of the tracks but had always interested her. Chase Ellery is out of the Army and has come back home. He is shocked to see Vicki Boshay wearing a uniform when she gives him a ride into town. Some memories are harder than others to get rid of and despite the passion arching between them, their past is still there. Will they be able to move on or will it fracture the budding relationship?
