

A Mothers Journey

There is no person more deeply cherished or more greatly needed than a mother. Her influence is far-reaching--and everlasting. When a mother is faithful, her children experience joy. They learn perseverance. They become wise. Best of all, they find themselves heading down paths in life that lead directly to God. Each one of us--child, parent, and grandparent alike--is a part of a magnificent and noble pilgrimage as told in the tender tale of A Mothers Journey. From the sweet springtime of a toddlers earliest years to the darkest winters of adulthood, readers will watch as a mother lovingly leads her children along lifes winding path--gently preparing them to walk forever at the Shepherds side. Along the way readers will rejoice in their relationships with their children and with their own mothers, and find reason to believe the seasons of life will become een more fulfilling with time. A Mothers Journey will tug at readers heartstrings as it captures the fears, the hopes, the joys of motherhood. This simple but profound story is beautifully illustrated in full color throughout. The writing, illustrations, and beautiful packaging make this a keepsake book anyone would love to give--or receive.
