

Big Sky River

Sheriff Boone Taylor has his job, friends, a run-down but decent ranch, two faithful dogs and a good horse. He doesn't want romance; the widowed Montanan has loved and lost enough for a lifetime. But when a city woman buys the spread next door, Boone's peace and quiet are in serious jeopardy. With a marriage and a career painfully behind her, Tara Kendall is determined to start over in Parable. Reinventing herself and living a girlhood dream is worth the hard work. Sure, she might need help from her handsome, wary neighbor. But life along Big Sky River is full of surprises like falling for a cowboy-lawman who just might start to believe in second chances.
