

## A Savage Betrayal (Lynne Graham Collection)

Destination revenge! Once upon a time, Mina Carroll fell in love and into the bed of her powerful boss, Cesare Falcone only to find herself dismissed as a gold-digger, accused of misconduct, and very much pregnant! Four years later, Mina discovers that the new investor in her charity is none other than Cesare! It takes only seconds to confirm that the attraction between them is lethal as ever. But when Cesare discovers the secret that Mina has hidden from him, there is only one solution; make her his bride to give their daughter a name and allow him to pursue his revenge at leisure!
