

## A Stolen Heart (Cimarron Creek Trilogy)

From afar, Cimarron Creek seems like an idyllic town tucked in the Texas Hill Country. But when former schoolteacher Lydia Crawford steps onto its dusty streets in 1880, she finds a town with a deep-seated resentment of Northerners--like her. Lydia won't let that get her down, though. All will be well when she's reunited with her fiancé. But when she discovers he has disappeared--and that he left behind a pregnant wife--Lydia is at a loss about what to do next. The handsome sheriff urges her to trust him, but can she trust anyone in this town where secrets are as prevalent as bluebonnets in spring? Bestselling author Amanda Cabot invites readers back into Texas's storied past to experience love and adventure against a backdrop of tension and mystery in this first book in a brand-new series.
