

His Royal Prize (Mills & Boon American Romance)

Texas Sheikhs: Though their veins course with royal blood, their pride lies in the Texas land they call home! THE SECRET HEIR Dashing bachelor prince Sharif Asad Al Farid swept onto the Desert Rose ranch, his eyes as fierce as the Texas heat. Although he'd come to meet his newfound relatives, it was their lovely ranch hand who attracted his attention. Olivia Smith's beguiling innocence and sassy attitude enraptured him. Matrimony wasn't on Sharif's mind until the press caught them in a compromising clinch and his royal family demanded a wedding. The powerful sheikh could not deny his duty, but convincing independent Olivia to become his princess bride would put his reputation as a master of charm and seduction to the ultimate test.
