

## A Surprise Christmas Proposal

Isn't it strange how things turn out? A week ago I was virtually jobless, almost homeless, and had totally sworn off men a sad way to be before Christmas, don't you think? Now I'm not only working for the most gorgeous man alive, but I'm living in his house! Meet sassy, smiley Sophie Harrington. Read in her own words how a much-needed job brings her up close and personal with rugged bachelor Gabriel York. Although Sophie is hardly a waif or stray, Gabriel ends up taking her in as a temporary lodger in his exclusive London home. How long before he realizes Sophie isn't just for Christmas but for life?
