

## Ancient Paganism: The Sorcery of the Fallen Angels

Ancient Paganism explores the false religion of the ancient pre-flood world and its spread after Noah's Flood into the Gentile nations. Quotes from the ancient church fathers, rabbis, and the Talmud detail the activities and beliefs of both Canaanite and New Testament era sorcery. This book explores how, according to biblical prophecy, this same sorcery will return before the Second Coming of Jesus Christ to earth. These religious beliefs and practices will invade the end time church and become the basis for the religion of the Antichrist. Wicca, Druidism, Halloween, Yule, meditation, and occultic tools are discussed at length. This book is brought to you by Biblefacts Ministries, Biblefacts.org
