

Professionalism: Real Skills for Workplace Success

Extends beyond a typical resume/job search book to seamlessly emphasize the relationship between resume development, job search skills, and human relations. Developed with input from industry leaders, it addresses topics readers need to know when entering the workplace and fills the NBEA Professional Development Requirement. Unique coverage of financial planning; business etiquette and professional behavior; appropriate use of workplace technologies; written business communications; and individual performance and business strategy. Written for workshop trainers to motivate individuals toward success in the workplace.
