

A Sprites Tale

When an Aussie bushland sprite collides with Santa's nephew on a sunny, isolated Australian beach, the sand won't be the only thing that scorches! Having decided his uncle is due for a break, Santa's nephew, Nick, takes on the job of delivering presents and heads straight for the sun-drenched beaches of Australia. After a cataclysmic sleigh disaster with a low-flying Qantas airbus, Nick finds himself rounding up reindeer on an isolated coastal stretch. When all seems lost—including Rudolph—Nick stumbles upon Chrissie, a woman just as mysterious as he. Chrissie is an Australian bushland sprite, sent after Nick by his uncle. Santa has made his own decision—its time for his nephew to settle down, and Chrissie's just the sprite to fill his empty heart. Christmas is always hot in Australia, but this year, things are really heating up!
