

They Think I Killed My Husband!: ~Memoirs of the Wild Widow

A young woman's husband dies from what seems to be a heart attack. She is to inherit the business and the insurances. But toxins were found in the autopsy and she is accused. While going through her husband's things she discovers a key to a deposit box in Egypt. Now her life is in danger. Hiding her kids and disguising herself to find her culprits. Things keep happening to her over and over! Will she ever find out who and why? Read and find out!
