

Jabez Prayer Experiment Lab Manual, The

Lord, bless me indeed. Do something so big in my life that it is obviously from you. Increase my influence and opportunities for you, and give me a sense of your continual presence and direction. Protect me and keep me from falling into Satan's traps. Amen. In his book *The Jabez Prayer Experiment*, Jay Dennis invites you to participate in an experiment that can change your whole outlook on what God can and will do for and through you. Drawing on the prayer of the biblical character Jabez, Dennis encourages you to pray in a way that breaks you out of the status-quo into new, untapped realms of faith, vision, and radical Christian living. *The Jabez Prayer Experiment Lab Manual* helps you put *The Jabez Prayer Experiment* in motion. Whether you are an individual who wants to discover all that God has for you, or are a group leader, teacher, or parent or family member who wants to help others grow with you in prayer, this book will guide you through thirty of the most profitable days of your life. What you discover will change the way you pray, your hunger to pray, and the impact of your praying. If you're ready to commit one month in exchange for a lifetime of possibilities, start here. *The Jabez Prayer Experiment Lab Manual* includes: Thirty days of individual, devotional lab sessions, each taking ten to fifteen minutes; Six group sessions with leader helps and group discussion questions and activities; The prayer of Jabez and a commitment card.
