

## Love Means... Freedom

Spurned by his father and driven from his home, Stone Hillyard is struggling to find shelter in the Michigan winter when he lucks upon the horse farm run by Geoff Laughton and his partner Eli. They take him in, warm him up, and give him a job working with their No Boundaries therapy riding program. A drunk driver left Preston Harding unable to walk, and after months of hard work, his therapist recommends Geoff and Elis program. But Prestons anger and arrogance nearly get him kicked out until Stone intercedes on his behalf, despite Prestons insults. Its a small act of kindness that helps open Prestons eyes. Stone and Preston will support each other as they face their families disapproval and fight old secrets. Theyll learn-sometimes the hard way-just how love can mean freedom for them both.
