FROM #1 INTERNATIONAL BESTSELLING AUTHOR SIERRA CARTWRIGHT Book three in The Donovan Dynasty series His erotic demands test everything she believes. When the fearless, larger-than-life Nathan Donovan becomes her boss, Kelsey Lane's life is turned upside down. The multimillionaire wants her by his side, but his demands don't end there. Kelsey avoids romantic entanglements, especially with overwhelmingly dynamic men like Nathan. But she quickly discovers his attention and sensual desires ignite something deep inside her, leading her on a journey that tests everything she believes. The youngest, boldest of the dynamic Donovan brothers, Nathan is accustomed to getting what he wants. And he focuses his attention on the smart, sexy Kelsey. He quickly discovers she's unlike any woman he's ever known. She meets him, desire for desire, getting deep inside him, destroying the barriers he keeps around his heart. He wonders, though, if she's willing to give him the one thing he demands. About Sierra Cartwright EVEN racier than 50 Shades! ~ Mail Online Sierra Cartwright was born in Manchester, England and raised in Colorado. Moving to the United States was nothing like her young imagination had concocted. She expected to see cowboys everywhere, and a covered wagon or two would have been really nice! Now she writes novels as untamed as the Rockies, while spending a fair amount of time in Texas where, it turns out, the Texas Rangers law officers don't ride horses to roundup the bad guys, or have six-shooters strapped to their sexy thighs as she expected. And she's yet to see a poster that says Wanted: Dead or Alive. (Can you tell she has a vivid imagination?) Sierra wrote her first book at age nine, a fanfic episode of Star Trek when she was fifteen, and she completed her first romance novel at nineteen. She actually kissed William

Shatner (Captain Kirk) on the cheek once, and she says that's her biggest claim to fame. Her adventure through the turmoil of trust has taught her that love is the greatest gift. Like her image of the Old West, her writing is untamed, and nothing is off-limits. She invites you to take a walk on the wild side but only if you dare.
