[Siren Everlasting Classic ManLove: Erotic Alternative Consensual BDSM Romance, M/M, public exhibition, spanking, sex toys, HEA] The night Logan subbed for the bartender at his club, he had no idea that the love of his life would walk through the door, but he knew he wanted Joey the moment he saw him. He just wasn't sure Joey was prepared for the lifestyle Logan wants. As sexy as Joey is, he seems too innocent for the life Logan wants with him. So, Logan bides his time, waiting for Joey to get to know him better. Joey came to the city to find someone, anyone. Logan, however, was more than he had ever dreamed of. Still, Joey had hope, and many late night fantasies. After a year of waiting, Joey finally gives up and goes to another club, a BDSM club. He's totally unprepared for what he sees there and what he discovers about himself. Hoping to save Joey from himself, Logan comes to his rescue, taking him home. Once there, things get heated. But all is not easy for these two. Just as they begin to settle down into domestic D/s bliss, Joey's father comes around to mess things up. Note: This book was previously published with another publisher and has been extensively revised and expanded. \*\* A Siren Erotic Romance
