

Obsessed Bounty Hunter Romance Series - Books 1 to 3

A New Adult Romance Story ***Due to sexually graphic content and language that some may find offensive, this book is intended for mature readers only*** This complete set contains Books 1 to 3 Book 1 - Secrets Revealed Jacqui Schneider couldn't help it. Every time the memories of her family's brutal murder haunted her, she had to escape. The only thing that could replace her sorrow was sex...and lots of it. And so Jacqui developed a pattern of self-destruction by sleeping with random men that she picked up at a local hotel bar. She made sure the men were attached and from out of town. That way, there were never any strings attached. Depressed and with no goal in sight, Jacqui continued on with her self-deprecating lifestyle until it all changed one day. Uncle Max, an old family friend, appeared unannounced. He was Jacqui's father's buddy from their former military days and the two have remained close friends since they were discharged. Jacqui was astonished when Uncle Max revealed a secret to her about her father. From those few words, Jacqui's world turned completely upside down. She really didn't know her own father. In fact, she didn't even know much about Uncle Max, except that he visited them for a few days at a time over the years. Find out what Jacqui's father's secret was and how it turned her world upside down. Book 2 - Heart Surrendered Jacqui thought the training was tough. But keeping her mind concentrated on her task was even tougher after meeting her new trainer. Adam had a rugged handsome face and ripped abs. She hated that Adam was so demanding. Jacqui's boxing technique was never up to his standards. How can she hate someone so much and yet feel such strong attraction? Was he flirting with her while trying to show her the correct stance? If so, the game of seduction was on. Book 3 - Rapid Pulse Bounty With her new skills fully developed, Jacqui was a confident

bounty hunter with a few successful captures under her belt. Things were looking up for her. The only thing missing in her life right now was Adam. She hadn't seen him since before her first successful mission. He had left before she could show off her triumph. Jacqui admitted to herself that she was in love with a man who belonged to someone else.
