

## Clara and the Cowboy (Idaho Brides)

From his abusive, alcoholic father to the townspeople who treat him like he's cut from the same cloth, and his own insecurities, nothing Alec McConnell ever does is good enough. How can he possibly let himself be in love with the boss's daughter? And why on earth would she have declared her love for him? When Clara's life is threatened by cattle rustlers, will Alec finally discover the answers he's been seeking? If he lets go of the past, can he trust God for the future?
