Lucy grabbed her butt as they tongued, turning it so her boyfriend could get a good look and a better idea of how it felt when it was squeezed. After proving himself bold enough to crossdress in public to pursue a popular jock, wannabe rebel Austin Lyon has come to enjoy his status as a popular girl at his school. Immediately, he gains the attention of a cool, mysterious girl named Lucinda, who is and has everything he wants. When he inevitably falls under her sway, Austin decides that his feminine alter-ego is the perfect alibi to do and say things hed never have dreamed of as a guy. With Lucys help he remakes himself as a brash vixen utterly unlike the caring, patient young man everyone has come to know. Underneath that pleasant exterior, there is resentment of being accepted and tolerated. There is no more Austin, only Zoe The Outsiders is a novella containing the second three stories in The Trap series: Teenage Mischief Plus One A Princess
