

## Driftwood Cowboy (Driftwood Bay Book 1)

Can she heal from a tragedy too great to bear? When Michelle Lancaster flees her hometown of Spirit, Louisiana to spend time at a beach retreat in Driftwood Bay, Florida, she only wants to run from the tremendous pain of a tragedy that caused her perfect life to shatter into pieces. But on the day when the memories become too much, a man steps into her path on the beach and causes her beloved horse Coco to almost throw her. Not to mention this is the one man Michelle has tried to avoid. But laid-back boat captain and artist Brodie Stevens has his eye on Michelle and soon, he is pursuing her with a strong-willed determination. He too is haunted, but believes that together they can heal each other. Now the driftwood cowboy must convince Michelle its possible to hope and to love again.
