

## The Sheikhs Defiant Bride (Mills & Boon Modern) (The Sheikh Tycoons, Book 1)

Step into a world of sophistication and glamour, where sinfully seductive heroes await you in luxurious international locations. She's pregnant with the Sheikh's baby but will she become his bride? The time had come for Tariq, Crown Prince of Dubaah, to find a wife and produce an heir. Though the darkly handsome, worldly-wise Sheikh had wined, dined and made love to some of the most beautiful and sophisticated women in the world, duty demanded that now he choose a biddable wife who would submit to him day and night. Then, by an extraordinary quirk of fate, Madison Whitney became pregnant with Tariq's child. But high-flying, outspoken Manhattan career-girl Madison certainly wasn't biddable or submissive! Tariq knew he must use every means at his disposal to claim his defiant bride and their baby -- seduction, passion, and even kidnap. The Sheikh Tycoons They're powerful, passionate and as sexy as sin!
