

Sacred: A Novel (Kenzie and Gennaro Book 3)

A beautiful, grief-stricken woman has vanished without a trace. So has the detective hired to find her. And a lot of money. Enter tough-nosed private investigators Patrick Kenzie and Angela Gennaro. Rooted in the streets of blue-collar Dorchester, they've seen it all and survived. But this case leads them into unexpected territory: a place of lies and corruption, where trusting anyone could get them killed, and where nothing is sacred. Another superior thriller from Dennis Lehane, the bestselling and acclaimed author of *Mystic River*, *Shutter Island*, and *Gone, Baby, Gone*.
