

Brother, Can You Raise a Million?: Money Flows As Love Grows in Jerusalem

When wealth and power collide, there's always an explosion. Add romance, intrigue, conflict and questions of rabbinic practice, and the explosion is even greater. Rabbi Wexler's intimate knowledge of the ins and outs of rabbinic and yeshiva life led him to write this humorous story of love set within the competitive world of Jewish fundraising. A rabbi, trying to raise money for his yeshiva in Jerusalem, inadvertently helps two Americans from very different walks of life find each other and fall in love. This witty story goes behind-the-scenes of the world of Jewish fund-raising, to reveal both its noble and not-so-noble character. Many people will recognize the fierce competition and humorous kowtowing that occurs when fund-raisers from yeshivas in Israel solicit American philanthropists.

Rabbi Wexler sensitively and creatively pushes the bounds of what his heroine can accomplish to expand the limited world view of the yeshiva directors. --Amazon book review
