

Diablo Lake: Protected

New York Times bestselling author Lauren Dane welcomes you back to Diablo Lake, Tennessee: a town founded by witches, governed by werewolves and full of secrets. Tensions are building in Diablo Lake as the two main rival Packs vie for control, and the town is divided along lines of Pack loyalty. Aimee Benton and Mac Pembry are on opposite sides and he seems to find excuses to spar with her daily. He's infuriating not to mention charming, gorgeous and oh-so-lickable. Mac can't resist pushing Aimee's buttons. She's always been incredibly sexy, and the wolf in him craves a female with fire in her belly. When a heated argument ends with a sizzling kiss and Mac gets a taste of her, he craves more and she can't seem to get enough of him, either. The forbidden nature of their attraction stokes their desires until they're secretly hooking up whenever they can. But then Mac's clan goes too far, and Aimee shuts him out. She's hurt and angry but that's nothing compared to the rage Mac is feeling toward his own Pack. A fight is brewing that will plunge the whole town into chaos, and someone will have to cross Pack lines to keep the town's fragile peace from breaking apart for good.
