Whether it's the sales clerk who ignores you in favor of her cell phone, the customer who knowingly jumps ahead of you in line at Starbucks, the unnaturally irritable boss down the hall, or the in-laws who invite themselves (every year) for a two-week stay at your house, you will always need to deal with Scrooges, grumps, uninvited guests, sticks-in-the-mud, and supreme party poopers. Learning to handle them whenever and wherever they appear is not just optional, it's essential.
