

## Double Dealing: A Loveswept Classic Romance

Temptation, temptation, temptation ... a million-dollar showdown over real estate turns into love at first swipe in this romance from beloved author Linda Cajio. Even as he's sneaking onto the Berkeley estate, Jed Waters knows better. This is no way for the vice president of Atlantic Developers to behave. He may remember the secret path through the hedge maze ... he may be able to outrun the dogs nipping at his heels ... but he never counted on being greeted by Rachel Berkeley herself. Once they were childhood friends. Now Rachel is the exotic stunner in a Shaker sweater and the owner of the property that Jed's company is so desperate to turn into condos. Seeing Jed after all these years fills Rachel with a kind of delicious fear. The gardener's son is all grown up, looking like he stepped out of a teenage fantasy. It's not Rachel's fault her eccentric uncle reneged on his deal with Jed, gifted her with the estate, and retired to a monastery in Nepal. If only Jed spent some quality time at the Berkeley house, he would fall in love with it and see Rachel's side of the story ... which is why she kidnaps him and stashes him in the trophy room. But her gorgeous prisoner has captured something more valuable than any mansion: Rachel's heart. Includes a special message from the editor, as well as excerpts from these Loveswept titles: Flirting with Disaster, Taking Shots, and Long Simmering Spring.
