

Dream of Love (American Dreams Book 3)

As the Civil War rages, plantation owners Richmond and Carolyn Davidson continue to follow the path God set out for them as an important link in the Underground Railroad, helping runaway slaves flee to the Northern states. Meanwhile, their older son, Seth, is working as a war photographer on the Northern side and their younger, Thomas, is a Confederate soldier. Torn by war on both sides, the Davidsons pray for both of their sons to come home safe even as they struggle to keep their land in the face of financial troubles. When Seth is reported missing and feared dead, the family despairs. But his new love, Charity Waters, refuses to accept the news passively. She sets out on a dangerous journey through the war-torn South to find Seth and bring him home safe.
