

## Duke Most Wanted (Heiress Brides)

Sophie Blakes grandfather willed his fortune to the first of his granddaughters to marry a duke. Since her cousin, Deirdre, will seal the deal any day now, the quiet, bookish Sophie can sit back and enjoy her time with the only man she truly adores: Graham. No matter that the part charmer, part scoundrel has absolutely no designs on her! Sophie is content to engage Graham in lively conversation, beat him at cards...and probe at the darkness hiding behind his rakish smile. Then Graham unexpectedly gains a title, an estate in near ruins and a mountain of debt. If there is any chance of survival he must find a rich wife quickly. As his hunt for a bride begins, Sophie realizes that she isn't even in the running. Suddenly no longer content to be a wallflower, Sophie gets a stunning make-over and becomes the belle of the ball. Lots of heads are turning including Graham's. But this beauty has secrets of her own. Will she be his salvation or seal his fate?
