My Fair Duchess After years of playing the rogue to hide a dark family secret, the Duke of Aversley feels tainted beyond redemption and cynical beyond repair. Never does he imagine hope will come in the form of a quirky, quick-witted lady determined to win the heart of another aristocrat. Thanks to a painfully awkward past, Lady Amelia De Vere long ago relinquished the notion she was a flower that had yet to blossom. But when her family faces financial ruin and the man she has always loved is on the verge of marrying another, she'll try anything to transform herself to capture her childhood love and save her family?including agreeing to participate in a bet between her brother and the notorious, dangerously handsome Duke Of Aversley. Bound by the bet, Amelia and Aversley discover unexpected understanding and passion beyond their wildest dreams, if only they can let go of their pride, put trust in each other and chance losing their hearts.

My Seductive Innocent Miss Sophia Vane, a wallflower of sorts, makes an unlikely match when she weds Nathaniel Ellison, the rich and wary Duke of Scarsdale. What starts with an unexpected friendship soon blooms into a fiery passion. But a betrayal plunges Sophia into the thorny world of London Society and entangles her in a labyrinth of manipulation and jealousy that will test the strength of her marriage. Behind her husband's sudden icy facade, Sophia believes dwells the caring, passionate man she loves. To break through the barriers and reclaim their happiness, they must do more than simply cast away their pride. They must fight for their very lives.

My Enchanting Hoyden A bargain born of desperation ignites into passion as one lord's quest to save his family leads to the discovery that he can

never settle for less than love. Forsaken, abandoned, and duped, Miss Jemma Adair has no other recourse but to request her grandfathers help to avoid living on the streets. His asking price? She must marry a neighboring lords odious son. Thankfully, there is a way out of her dilemma ensuring the rake never asks for her hand. But what is Jemma to do when her ally is an all-too handsome silver-tongued lord with a penchant for poetry that makes her question giving her heart to another man? Philip De Vere, Lord Harthorne, wishes to marry for love, but inherited debt and family obligations force him to seek a wealthy wife. Yet experience has taught him that ladies of the ton prefer rogues to gentlemen with a poets soul. But when an unrepentant hoyden claims to know a thing or two about how to make a man a rake, Philip finds he cannot resist Jemmas offer or her.
