

## Epic: The Story God Is Telling

Life, for most of us, feels like a movie we've arrived to forty minutes late. Sure, good things happen, sometimes beautiful things. But tragic things happen too. What does it mean? We find ourselves in the middle of a story that is sometimes wonderful, sometimes awful, usually a confusing mixture of both, and we haven't a clue how to make sense of it all. No wonder we keep losing heart. We need to know the rest of the story. For when we were born, we were born into the midst of a great story begun before the dawn of time. A story of adventure, of risk and loss, heroism ... and betrayal. A story where good is warring against evil, danger lurks around every corner, and glorious deeds wait to be done. Think of all those stories you've ever loved there's a reason they stirred your heart. They've been trying to tell you about the true Epic ever since you were young. There is a larger story and you have a crucial role to play.
