

Every Earthly Blessing: Rediscovering the Celtic Tradition

This concise and clear introduction to Celtic spirituality provides an overview of all aspects of Celtic understandings. By providing readers not only with a narrative, but with the poetry and songs of the ancient Celts, she explores Celtic views of pilgrimage, solitude, creation, and healing. De Waal also looks at their understanding of core Christian concepts, such as sin, sorrow, salvation, and the cross. Written accessibly, this book is excellent for parish study as well as individual reading.
