

Everyday Grace: Having Hope, Finding Forgiveness And Making Miracles

In this comforting, inspirational companion to the No.1 New York Times bestseller, *A Return to Love*, Marianne Williamson returns to her spiritual roots, writing on the art of nurturing a thriving soul in a harsh world. What do your spiritual convictions have to do with traffic jams, job anxiety, reading the newspaper, or arguing with your spouse? Everything, according to Marianne Williamson. It is the way we live in our everyday world that determines the shape of who we are. So Buddhist or Muslim, Christian or Jew, it is the moment when your child fails an exam, when your best friend lands your dream job, or your business instinct tells you to watch your back, that tests and builds our living faith. With an attitude of hope, a call to forgive, a celebration of miracles, and the promise of strength and grace, Williamson helps us find our sacred footing on ordinary ground. No matter where we are or what we're doing, no matter what difficulties we face, there is always an opportunity to be happy, to connect with the spiritual - and to open our hearts and our minds. In the book of hours, Marianne Williamson teaches us to ride the currents of life and to seek out the sacred that will bring forth a sea change of the soul.
