

Expecting the CEOs Child (Mills & Boon Desire) (Dynasties: The Lassiters)

No woman says no to a Lassiter. Months after their passionate tryst, Dylan Lassiter can't get Jenna Montgomery out of his mind. Maybe being named CEO of his adoptive father's restaurant empire is making the onetime playboy think about settling down. Or maybe it's because Dylan just found out Jenna's having his baby. When the petite florist flat-out refuses to marry him, the celebrity chef kicks his seduce/woo/wed scheme into high gear. But just as he's gaining ground, the media unearths a shocking secret from the mother-to-be's past. Now Dylan could lose the woman and family he wants more than anything.
