Jane is a sassy bartender who takes pride in what she does. While her dream is to one day open her own restaurant, in the mean time she runs the bar like no other woman. Brad is the son of a billionaire who is always interested in giving back to the community. As a healthcare mogul, he knows how to take what he wants, and he molds his own reality as he sees fit. After starting a chain of hospitals he feels his life is complete, except for love. On a chance encounter when Brad finds himself at Janes bar he cant stop staring at this curvy beauty, and decides to make her his. While acting like her usual confidant and sassy self, Jane starts to feel something more from Brad as he continues to visit her. Only he doesnt realize Janes past is a lot more complicated than it seems. But when a dark figure from Janes past emerges to claim her, everything in her world goes black. Will her new Alpha Male save her from her past? Will Jane and Brads love for each other be strong enough to make it through this?
