

Ferris Braden [Beyond the Marius Brothers 6] (Siren Publishing Menage Amour Manlove)

[Menage Amour ManLove: Erotic Alternative Paranormal Menage a Trois Romance, M/M/M, vampires, fae, shape-shifters, HEA] Ferris Braden was having a bad day... Friends using him as a doormat, breaking a kid's heart accidentally, and pretty much being kicked all around. What a day to meet his mate! When Rylan Zeev wanted to check out a coven that was rumored to take in more than vampires, he had no idea he'd find his mate surrounded by strangers he isn't sure he can trust. Onah just got back from a several-months-long mission. The last thing he wants is to be sent on an errand with no explanation. But when he finds his mates because of it, he's grateful and excited. All three feel as if fate knew what she was doing when matching them up, and it's a good fit. But when tragedy of epic proportions strikes, can the brand-new mates stick together when they haven't even had a chance to claim one another? Note: This book is written in first-person point of view. ** A Siren Erotic Romance
