

Full Blaze (Firehawks Book 5)

These wilderness firefighters battle more than flames The elite fire experts of Mount Hood Aviation fly into places even the CIA cant penetrate. Shes just jumped square into the heart of the blaze When Australian helicopter pilot Jeannie Clark rescues wildfire photographer Cal Jackson from a raging burnover, she doesnt know shes bringing aboard a firebrand. Cal is quickly recruited for MHAs covert operations that reach far beyond the flames. Together Jeannie and Cal are assigned to an overseas operation with a lot more at risk than burning trees. And theyll need all the skill, love, and trust they can muster if theyre going to survive the heat of this jungle battle.Praise for Pure Heat, A Firehawks Novel: Meticulously researched, hard-hitting, and suspenseful... Buchman writes with beauty and simmering passion. Publishers Weekly, Starred Review Buchmans adept use of source material will leave readers awestruck that a wonderful love story can be so seamlessly woven in among technical details...Poignant and touching.
