

Light the Fire

Two years after the death of his lover at the hands of bigots, Kurt still not looking for another relationship, even though the big old house he bought with Raoul seems cold and empty these days. But there's a perky kid at his gym who just won't take no for an answer. Matt can tell there's more to Kurt than just a great set of pecs. He's drawn to the big guys caring, protective attitude as much as to his muscles. But when push comes to shove, can Matt show Kurt he's not just a big mouth in a small package?
