

Upon a Midnight Clear (Mills & Boon Love Inspired)

Little Nattie needed love, and Callie Randolph was just the woman to make her smile again. A licensed nurse with sorrows of her own, Callie felt a deep and special connection to the troubled child. And after years of heartbreak over a bitter secret, Callie was falling in love with Nattie's handsome daddy, David Hamilton. It all seemed perfect: a beautiful little girl who adored her and a kind man who challenged her heart and made her want to sing. But it was time for Callie to trust in God and tell David everything. Did she have the strength to test her courage this one time for love?
