

The Gifted: A Novel

Some dreams were meant to come true. Jessamine Brady has been in the Shaker Village for half her young life, but in spite of how she loves her sisters there, she struggles to conform to the strict rules. Instead she entertains dreams of the world outside. When Tristan Cooper seems to step out of those dreams to entice her into the forbidden realm beyond the Shaker Village, her life turns upside down. Will Jessamine be able to survive the storms of the world? Or will she retreat back to the peace of Harmony Hill?
