

# Educating Your Gifted Child: How One Public School Teacher Embraced Homeschooling (Perspectives in Gifted Homeschooling Book 6)

What would make a dedicated public school teacher decide to homeschool her own children? In her new book, *Educating Your Gifted Child: How One Public School Teacher Embraced Homeschooling*, Celi Trepanier shares her journey from a top teacher in traditional schools to a disillusioned parent struggling to get an appropriate and challenging education for her gifted sons. How is the current educational system failing our gifted and twice-exceptional students? How can parents fight for the education their children need and deserve? What options do parents and their gifted children have? Celi addresses these concerns and more in *Educating Your Gifted Child*.
