Jim Tom JT Franklin is finding his way after being welcomed with open arms by his half-brother, Rebel and the rest of the club. Boy meets girl and falls in love. It should be simple, but life never is. Love is blind. Love is patient and kind. At least thats what Christa Buttercup Franklin tells herself, but doing and believing are two different things. Seeing her man behind bars proves more difficult than she ever imagined, especially when she is carrying his child. Determined to make peace with the past, Romeo goes on one final ride to settle an old score. When he comes face to face with the son he never wanted he is met by the one woman he never expected to see again. The Black Rebel Riders saga continues, are you ready to ride?
