

# Caring for Grandchildren: How to Meet the Challenges (Families Book 1)

Many grandparents care part time for their grandchildren and have much pleasure from the experience. Sometimes, however, grandparents become the primary caregivers of their grandchildren because of a family crisis. The children might come to you because of domestic violence, the death of a parent, drug or alcohol problems, mental health issues or other challenging situations. How will you cope? What can you do to help the children? Who can you turn to for advice? This book outlines the responsibilities grandparents face. It gives practical tips on how to help the children face challenges as well as tips to help you, the grandparents cope with the changes in your lives.
