

## Handcuffs and Trouble (Rawlings Men Book 4)

As the newest constable in the station, Trent Rawlings isn't entirely surprised to find himself being hazed by the other cops. Determined not to make any more of a fool of himself than is absolutely necessary, he's merely biding his time and going through the motions until he gets to the punch line. It has to be a hazing. If it's not, he's in real trouble. Kieran Osmond doesn't know what the hell the little fool thinks he's doing, stumbling into the middle of an undercover operation. All Kieran knows is that he has to rescue the younger man before he gets them both killed. Luckily for them both, Trent seems to be good at obeying orders and following a more dominant man's lead. He may even be too good at it for Kieran's peace of mind. Maybe Trent isn't the only man who's in trouble...
