

Temporary Groom (HawkS Way) (Silhouette Desire)

A Whitelaw Wedding
 The Groom: If single dad Billy Stonecreek didn't find himself a mate who was mother material, his snooty in-laws would take away his little twin daughters...But who'd marry a troublesome man like him?
 The Bride: Cherry Whitelaw had some reputation around town -- and what better way to become a proper lady than to marry and be a mom? Surely her sexy husband to be would fall in love with her one day?
