

## Devoted to the Service of the Temple: Piety, Persecution, and Ministry in the Writings of Hercules Collins

While largely forgotten in modern times, Hercules Collins (1646/1702) was highly influential among the late 17th and early 18th century Calvinistic Baptists of London. Through a biographical sketch and 35 sample selections collected from Collins writings, Michael A.G. Haykin and Steve Weaver introduce us to the vibrant spirituality of this colossal figure. Series Description Seeking, then, both to honor the past and yet not idolize it, we are issuing these books in the series Profiles in Reformed Spirituality. The design is to introduce the spirituality and piety of the Reformed Profiles in Reformed Spirituality tradition by presenting descriptions of the lives of notable Christians with select passages from their works. This combination of biographical sketches and collected portions from primary sources gives a taste of the subjects contributions to our spiritual heritage and some direction as to how the reader can find further edification through their works. It is the hope of the publishers that this series will provide riches for those areas where we are poor and light of day where we are stumbling in the deepening twilight. Authors Michael A.G. Haykin is professor of Church History and Biblical Spirituality, The Southern Baptist Theological Seminary, Louisville, Kentucky, and Research Professor of Irish Baptist College, Constituent College of Queens University Belfast, N. Ireland. Steve Weaver is the pastor of West Broadway Baptist Church in Lenoir City, Tennessee Endorsement Hercules Collins is one of the great figures from our Baptist heritage - a heritage who suffered much for the cause of Christ and left a great legacy for generations that followed. There is something especially compelling about the witness of a man who was oppressed and imprisoned for his faith in our Lord Jesus Christ. The witness of Hercules Collins as pastor, prisoner, and preacher is worthy of

the closest attention in our own times. We are indebted to Michael Haykin and Steve Weaver for bringing Hercules Collins to life for a new generation. - R. Albert Mohler, Jr.
