Now available as a Bundle Box Set, all 3 Brides of Montana Books featuring 3 mail order brides

** A clean historical cowboy romance boxed set **

Mail Order Bride Irene In Book 1 of The Brides of Montana series, Irene Gleeson leaves behind a heart-breaking past for a new life on the Montana Frontier. After her late husband's untimely death, his family drives Irene from her home in coastal Rhode Island with accusations that she caused his death. Their malicious hostility leaves Irene no choice but to throw herself on the mercy of the mail-order matrimony system. Irene knows nothing about the place she's going or the man she will marry. She only knows the name of the homestead at the end of the railroad line: Fiddlers Green. What she finds shakes her to her core. Three generations of McGuire men live and work together on the remote ranch in the farthest reaches of Montana. They've been alone so long, they are at each other's throats with non-stop arguing over every detail of their lives. When Irene finds herself betrothed to the aging grandfather, Jack McGuire, she grieves for her dreams of a happy home with children. Jack, on the other hand, hasn't given up hope so easily. Through his plan to bring mail-order brides to the ranch for himself, his son, and his grandson, he hopes to stem the tide of animosity tearing their family apart. Can Irene and her fellow mail-order brides unite this family in a common purpose? On top of everything else, the autumn season comes bearing down on them. The family must work together to round up their cattle herds and drive them to the stock yards before the winter weather strikes. Can they set aside their differences long enough to accomplish this one last desperate act? Or will bitterness and hurt tear them apart and lead them all to disaster?

Mail Order Bride Audrey In this second book of the Brides of Montana Series, Audrey Burns deepens her romance with her mail-order

husband, Owen McGuire. After her shock revelation that she's an expert horsewoman, Audrey finds a new purpose working the McGuire cattle herd on their annual drive to the auction yards in Helena, Montana. When Jack McGuire recovers from his fall from his horse and takes to the saddle again, Audrey reluctantly gives up her position among the cowboys and retreats to the chuck wagon with the women. But circumstances don't allow her to remain on the shelf for long. Catastrophe strikes the cattle drive again and again, each time calling on Audrey to rise to the occasion and use her skills and her indomitable spirit to rescue the operation from disaster. Audrey's new family discovers a depth of courage and determination in her they never thought possible. One by one, she wins the admiration of each person in the company. But Audrey has a secret no one knows, the secret of why she became a mail-order bride in the first place. Before this cattle drive ends, her cherished family and her budding attachment for Owen will face the ultimate test of love and loyalty when they find out she isn't the person they think she is. Mail Order Bride Philomena

Book 3 of The Montana Bride Series completes the saga of Philomena Harcourt's experience on the McGuire cattle drive across Frontier Montana. The McGuire Family cattle drive winds through the desolate tracts of Montana. Mail-order brides Irene and Audrey prove themselves strong and capable to meet the challenges of the journey. But what about Philly? Is she destined to languish in the same domestic drudgery she left behind in Long Island? Or does she, too, have the spirit and tenacity to take her own place on the Frontier?
