

Satin Sheets: 2 (Honkytonk Angels)

Honkytonk Angels, Book Two After hearing talented songbird Jezebel Jones playing for tips on a Nashville street corner, record producer Mallory Hayes approaches her to join her rockabilly band, the Honkytonk Angels. Jezebel's first love is her music, and Mallory's offer is tempting. But it comes with a caveat. To be considered, Jezebel must undergo training with a dominatrix. After just one taste of submission with domme Billie Martin, Jezebel's left yearning for more. In the dungeon, she's bound, spanked and, beyond anything, pleased. But for them to share a future, Jezebel must be willing to risk everything for the girl born on the wrong side of the tracks. Training a sweet, sexy sub seems like just the distraction Billie needs, but a dark secret from her past has returned to haunt her and even love might not be enough to save her. A Romantica GLBT female/female erotic romance from Ellora's Cave
