

A Hole In My Heart (Forever and Ever #15)

Arsen spends more time with Abby and begins to realize the true meaning of being a parent. The only person he thought he ever loved was Silke, but he understands that his love for Abby shadows everything he's ever felt for another person. Slade and Trinity remain broken up but they can't stay away from each other. Every time they run into each other, the tensions run high. Everyone can feel it. Casual meetings turn into passionate nights. Slade wants them to continue but Trinity fights to keep him away. Skye and Cayson are ostracized from one another as they help their best friends. The time apart is unbearable but they pull through. Conrad deals with his break up, and when an unexpected visitor stops by, he isn't sure what to think. Roland is falling more for Heath with every passing day, but being supportive of Conrad keeps them apart. Thankfully, Heath understands.
